Headline: **Five boxes a tradie should tick**
Description: Have you checked the sixth box?

Primary Text:
Five things a X should be able to take for granted. Most can't.

✅ Emails answered within the hour.
✅ Prices published, not negotiated job by job.
✅ Photos attached to every invoice.
✅ One company for plumbing and electrical.
✅ Quotes back in 18 hours on average.

That's the list. None of it is complicated, and none of it is how most maintenance gets done.

There's a sixth box on that list, and it's the only one we can't tick ourselves. We're taking on new partner agencies. Tap below to learn more, and we'll go from there.
