PROFESSIONAL SUMMARY

Digital marketing and social media professional experienced in campaign strategies, paid advertising, and design. Executes campaigns from planning to producing creative to reporting, and uses results for optimizations and recommendations. Experienced in social media management, lead generation, Meta Ads, and graphic design. Committed to creative and data-driven work that helps businesses scale in marketing.

EDUCATION

University of the Philippines Diliman, Quezon City
Bachelor in Library and Information Science

- Summa Cum Laude with GWA of 1.13

EXPERIENCE

Shark Plumbing Pty Ltd (Shark Group), Australia
Marketing & Design Expert (Digital Marketing & Social Media) December 2025–Current

- Developed and implemented the Q4 2026 social media strategy from October 2026, delivering the strongest month in 90 days: views up 260% to 118,025, profile visits doubled, and net new followers up 141%
- Lead strategy for an ongoing B2B Meta Ads lead generation campaign targeting property management agencies, preparing strategy decks, producing ad creatives (reels, carousels, static), coordinating with executives, and delivering optimizations and recommendations to improve performance.
- Manage organic social media across Facebook, Instagram, TikTok, and LinkedIn, including content calendars, scheduling, and community management.
- Analyze marketing metrics (reach, engagement, CPL, and conversion rates) and deliver monthly performance reports to the Director with actionable recommendations.
- Designed and produced 60+ creative assets, including social media posts, reels, presentations, and handbooks.
- Built a social media dashboard to track and analyze performance metrics, gather recommendations, and automate content ideas based on trends and high-performing social media content.

LEADERSHIP & EXTRA-CURRICULAR

School of Library and Information Studies Student Council, UP Diliman, Quezon City
Creative Manager July 2024–June 2025

- Led a team of 7 in producing 160+ digital materials; drove 34,000+ profile views and 2,600+ engagements during LIS Month.
- Managed cross-functional communications, ensuring on-time delivery of campaign outputs while mentoring junior members in design and project execution.
- Coordinated logistics, scheduling, and vendor requirements, ensuring efficient operations and successful event rollouts.
